I am looking at purchasing a 2006 2301 striper that is equipped with a 2006 225 ETEC on it and was wondering if there are any known issues with his engine. Engine currently has 190hrs on it and looks in really good shape. From research I've done It looks like the earlier 2000-2005 models had some overheating issues but I haven't seen much on the 2006 model. I don't have the Serial Number at ...

A 'new' second hand lift pump was replaced and tested by Evinrude dealer. There was water found in the fuel in 2007 I think. It was serviced and cleaned after that. The motor was fine for 2 years when the problem started. It has a bad history of services at our dealers in Cape Town. Dealers putting in second hand parts for the price of new ones ect.
