**An introduction to animal behavior (Book, 1972) [WorldCat.org]**

Most of you have seen these kinds of things if you've had any encounter with animal behavior. Some of them might sound a little bit--we use specialized language to talk about behavior, and it's a little different from what you're used to from just talking about human behavior. We talk about eating in animal behavior--talk about feeding, and foraging, and stalking, and prey capture, and things like that.
