The Smart Cable Box not only makes your TV Smarter, but also

Get Free Samsung Cable Box Smt H3362 User Guide

seamlessly integrates your cable box into one box, with one remote. It works with most cable providers, so no change is necessary, and it can even save you money. All you need is a cable card provided by your cable company, which costs less than the standard cable box and remote rental.

Samsung US

Thanks, at least now, I know I should probably press the tech a little harder to find the problem. About a year ago I had them come out and completely redo the line in from the box outside to the modem and HD DVR. All there is between the cable coming in from the road and the cable box is one splitter.
