South Africa The Struggle For

South Africa explores the effects that the international climate of the 1990s has had on the country's transition. Ottaway contends that the international community rejects apartheid but is unsympathetic to black demands for redistribution, and has condemned the white government's vision of separate development but accepts ethnic nationalism as inevitable.

South Africa: The Struggle for a New Order: Ottaway ...

Liberation Struggle in South Africa. Although Apartheid only 'officially' started in 1948, repression was rife in South Africa long before that date. This special project examines the Freedom Struggle from the beginning of the 20th century up until South Africa's first democratic election in April 1994. This archive presents this history in two parts, namely; Emerging African Nationalism and Working-Class and Popular Resistance 1900-1950s, and The Armed Struggle and Popular Resistance ...
