Talking With Psychopaths And Savages Book Review

If it reveals a mindset wholly alien to most people, it also, shockingly, demonstrates that some of the people who treat these psychopaths have their own demons. Talking with Psychopaths and Savages will inevitably shift the reader's view of psychopaths, and in doing so, reveals that horror can be much closer to us than we think.

Talking With Psychopaths and Savages: Beyo... by Berry-Dee ...

One of his favourite phrases to use describes how he believes psychopaths and savages “live in a world where elephants fly, lead balls bounce and fairies reign supreme”. Now, he didn’t come up with that phrase, but he takes great pride in repeating it over and over. I think this line undermines everything a book like this should stand for.
