The Lucky Monkey 2 continues the adventures of The Lucky Monkey 1, teaching young children why it's important to listen to your mother, think before you act, etc. After reading parts 1 and 2, I have purchased all 4 books in the series.

This is a great children's story. It tells a story of a monkey who is always getting into things he should not be. Even though he gets into everything he has yet to get into trouble. In the story they call him the lucky monkey because he never gets into trouble. I would read this to a classroom of first grade and below.
